Librarian's Report

Bradford Public Library

Administrative:

Special Thanks to the Community, Wells River Savings, and Woodsville Guaranty Savings banks for the beautiful holiday decorations in the library.

We will be closed on Christmas Eve, Christmas Day, New Years Eve, and New Years Day. Regular library hours and Story Hour programs resume Thursday - Saturday during these holiday weeks.

Technology:

I recommend we purchase 5 copies of Microsoft Office 2019 at \$39 each. Two copies for PC, two for public MAC computers, and one copy (MAC) at the circulation desk. Applications in this suite include Excel, One Note, Outlook, Power Point, Publisher, and Word.

Volunteers:

Say hello to Geri Mooney, Bonnie Albee, and Caitlin Wilson, our new BPL volunteers assisting at the circulation desk and other tasks.

This month's Curiosity Cabinet celebrates the season with a personal display of the classic Norman Rockwell Ornament Collection.
