

## Pantoum

I'm crying dewdrops  
I'm bleeding my lies  
Every time that time stops  
A piece of me dies

I'm bleeding my lies  
And I'm a girl made of glass  
A piece of me dies  
But it's not a free pass

And I'm a girl made of glass  
Synthesized, Symbolized, Synchronized breaking  
It's not a free pass  
But I'm quietly screaming, silently aching

I'm a clockwork prize  
I'm bleeding my lies  
Killing time will make it pass  
But I'm a girl made of glass
