

Praise Poem (inspired by *This Body II* by Renee Watson)

My body is
perfect and
imperfect and
tall and
female and
strong and
Big hearted and
Blue eyes and
Thick hair and
Long legs and
Hair that flows and
Hands that give and
A heart that loves and
Eyes that see through and
Feet that move and
my Mother's eyes and
my Father's funny faces and
my grandmother's love and
my body is wonderfully amazing and
my body is no one else's and
my body belongs to me and
only me.
