The Curves of You

I'm in love
With the curve of your neck
Where it runs from behind your ear
To the top of your shoulder.

I'm in love
With the curve of your jaw
When I rest my hand on it
And you smile and lean into it,
Closing your eyes.

I'm in love
With the curves of your hands
As our fingers interlock.

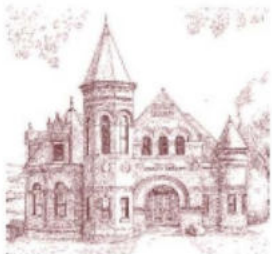

I'm in love
With the curves of your hips
When I rest my hands on them
And I pull you in for a kiss.

I'm in love
With the curve of your leg
When it drapes over mine
When we go to sleep at night.

I'm in love
With the curves of your feet
When we do yoga
And I smile
As I admire our matching moles.

But more importantly,
I'm in love with the curves of your soul,
Which compliment mine
And we exist in love and harmony.
