

## Exploring Love and Happiness

Happiness looks like chocolate candy, love candy, vanilla ice cream, and family.  
Love smells like campgrounds, ice cream with family, sparkle tuti, and spring time.  
Love is when your heart smiles.  
A heart is a bagel because I like bagels.  
Happiness is Momma.  
Love feels like Valentine's Day.  
Love looks like a flower.  
Heart is like love, a circle but different.  
Happiness tastes like joy; joy taste like chocolate.  
Happiness sounds like giggles.  
Heart sounds like chocolate.  
Heart looks like ice cream cones.  
Heart smells like candy & fish; I like fish but my sister doesn't.  
Heart feels like love feels like joy.  
Happiness smells like tractors.  
Love tastes like beauty, happiness, watermelon.  
Love sounds like hearts that are clapping.  
Happiness feels sticky like glue, love, raspberries, English muffins, strawberries, Sophie, and being with mom.

Written by the children and staff at My Second Home, LLC. - an early learning educational program for children ages 2-5 who explore love and happiness daily.
